

Accreditation Online

Jan Mackereth-Hill
Associate Director Accreditation Development
13 October 2009

www.chks.co.uk

Background

- Accreditation delivered via a paper-based system
- Costly and time consuming for clients
- Report writing problematic

Solution

- Project team set up to write a specification for an online tool
- Developed in-house
- Pilot tested by clients and surveyors
- Went 'Live' January 2009

The online tool
